When the villain Wormzilla attacks the school with his army of worms, Alien Dude uses his super powers to destroy them all. This first entry in an early-reader adventure series features chapters and multiple plots alongside hilarious cartoon illustrations and gross-out humor.

After the villain Mr. Evil Potato Man puts a spell on the school food, students start turning into food and a huge food fight erupts. Alien Dude morphs into a peeler and peels, then fries the giant potato. Once the fries are eaten, the spell is broken.
